THIS ORDER IS SUBJECT TO CORVANE TERMS AND CONDITIONS OF PURCHASE (CLS-QP-110 REV F) AND THE SUPPLIER QUALITY CLAUSES LISTED ABOVE, WHICH ARE INCORPORATED BY REFERENCE.

CORVANE LAUNCH SYSTEMS, INC. - TERMS AND CONDITIONS OF PURCHASE

CLS-QP-110 Rev F | Applies to CLS-PO-26-03318 Rev A

1. ACCEPTANCE. Supplier's written acknowledgment, commencement of performance, or shipment constitutes acceptance of this Purchase Order, including all referenced Supplier Quality Clauses. Supplier's quotation terms do not apply.

2. QUALITY SYSTEM. Supplier shall maintain a quality management system compliant with AS9100 or ISO 9001 and shall flow down the requirements of this order, including key characteristics and special requirements, to sub-tier sources.

3. RAW MATERIAL CERTIFICATION. Each shipment shall include a Certificate of Conformance and the producing mill's certified test report showing chemistry and mechanical properties to the specification and revision cited, with heat/lot number traceable to each piece.

4. FIRST ARTICLE. Where SQ-014 is invoked, the first shipment of each part number requires First Article Inspection documentation per AS9102. Cut-to-size raw stock: dimensional FAI only.

5. SPECIALTY METALS. Lines identified as specialty metals (including nickel-base alloys and titanium) shall comply with DFARS 252.225-7009. Supplier shall state country of melt on the certification.

6. COUNTERFEIT PREVENTION. Supplier shall procure only from the original mill or its authorized distributors and shall maintain a counterfeit-material prevention program consistent with AS6174.

7. EXPORT CONTROL. Drawings and specifications referenced on this order may contain technical data controlled under the ITAR (22 CFR 120-130) or EAR. Supplier shall not export, re-export or disclose such data to foreign persons without authorization.

8. FOREIGN OBJECT DEBRIS. Material shall be free of FOD, packaged to prevent damage and contamination, and plate shall be interleaved or film-protected on both faces.

9. NONCONFORMANCE. Supplier shall notify Buyer within 24 hours of discovering any nonconformance on material already shipped. Supplier may not disposition nonconforming material as use-as-is.

10. RIGHT OF ACCESS. Corvane, its customers and regulatory agencies shall have right of access to Supplier's facilities and records pertaining to this order.

11. RECORD RETENTION. Quality records for this order shall be retained for not less than ten (10) years after final payment.

12. GOVERNING LAW. This order is governed by the laws of the State of Colorado, excluding conflict of laws provisions.
